

This dataset is a comprehensive collection of information related to paintings, artists, and museums. Here's a summary of each table:

- **Artist Table:** This table contains detailed information about artists, including their full name, nationality, artistic style, and dates of birth and death. Each artist has a unique ID.
- **Canvas Size Table:** This table describes the dimensions of the canvases, including their weight, height, and a label.
- **Museum Table:** This table provides information about various museums, including a unique museum ID, the name of the museum, its address, city, and country.
- **Museum Hours Table:** This table lists the operating hours for each museum, with the museum ID, day of the week, and opening and closing times.
- **Product Size Table:** This table contains information about the paintings, including a unique painting ID, size ID, selling price, and regular price.
- **Subject Table:** This table describes the subject of each painting, with a unique painting ID and the subject of the painting.
- **Work Table:** This table contains information about the paintings, including a unique painting ID, the name of the painting, the artist ID, the painting style, and the museum ID where the painting is located.
